INFO

This book collection is in shulker boxes and must be treated carefully in order to maintain safety and continuity with this list.

- Boxes alternated black and white to distinguish letters.
- They numbered as followed (A1, A2, A3.. etc.) for all letters, numbers and symbols.
- If a box is full, (complete) is added and a new box is started.
- Asterisk (*) added after title if the book is renamed from original.
- Only add **copies of copies** to boxes.
- **Check for duplicate books** before adding with CTRL-F on this page, (if there is a duplicate, add it to the pre-established stack).
- Boxes are not to be sorted until they are complete.
- **Books must be added to this page** as they are added to the boxes.
- Please **maintain formatting** of this page in occordance with below.
- TRY to keep boxes out of public places.
- ONLY sort boxes when you are sure there is nobody around.
- ALWAYS do /nearestplayer to check for approached players.
- **NEVER leave boxes open or in unlocked chests no matter what.**

A
